

A Three Day Web-Conference

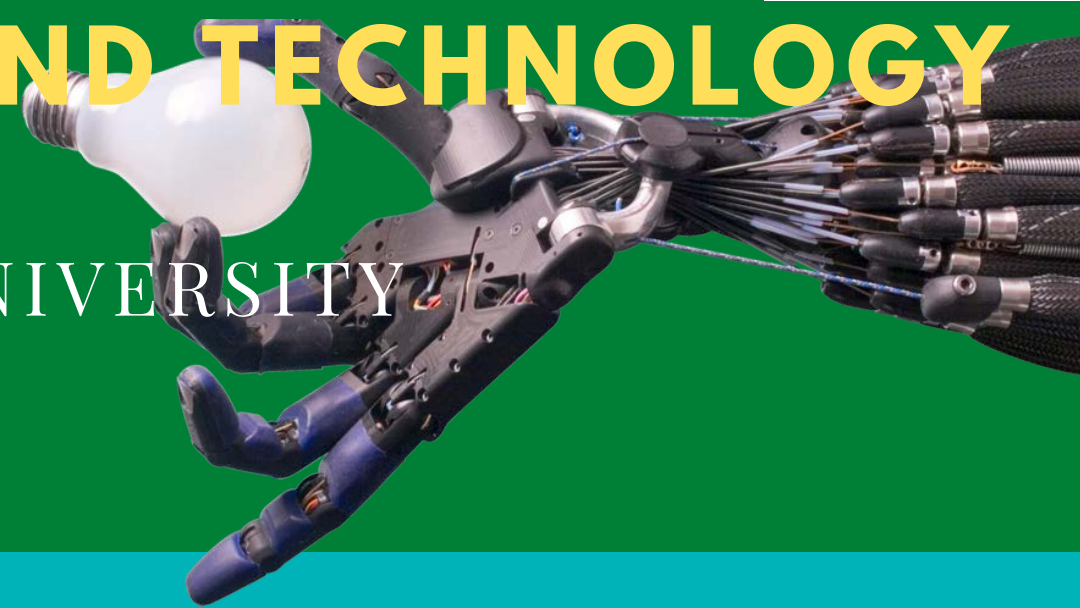

3rd NATIONAL CONFERENCE ON RECENT ADVANCES IN SCIENCE AND TECHNOLOGY

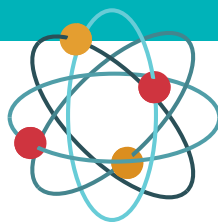

Organized by
ASSAM SCIENCE AND TECHNOLOGY UNIVERSITY

UNDER TEQIP-III PROJECT

DATE: AUGUST 17-19, 2020

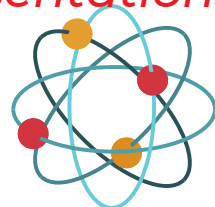

ABOUT THE CONFERENCE

The Assam Science and Technology University (ASTU) announces the organization of the 3rd edition of its National Conference on Recent Advances in Science & Technology (NCRAST 2020) through on-line mode during August 17 – 19, 2020 under TEQIP-III Project as a twinning activity with JNTU-Hyderabad. The main objective of NCRAST 2020 is to bring together the students, research scholars, technocrats, academic and industrial experts to a common forum to exhibit their technical excellence in the field of Science and Technology.

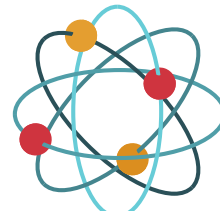

The conference will be organized through online mode. An online platform will be used for invited and poster presentations.

CALL FOR PAPER

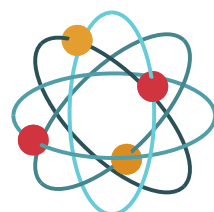

Papers are invited for presentation in virtual mode. Based on Reviewers' recommendation accepted papers will be selected for either virtual oral presentation or virtual poster presentation. On the basis of the recommendation of Board of Reviewers, the papers presented at NCRAST 2020 will be published in UGC approved journals or in the form of book. The authors need to submit the full paper in MSWord format for publication after NCRAST 2020. The guidelines to prepare the papers or book chapter will be notified later to the authors.

GLIMPSES OF 2ND NCRAST 2019

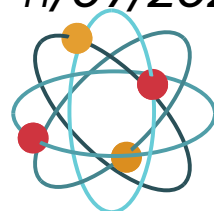

IMPORTANT DATES

Registration & Abstract submission begins:	05/06/2020
Last date of Registration:	04/07/2020
Abstract submission ends:	04/07/2020
Acceptance of abstract:	11/07/2020

FOR ANY QUERY, KINDLY CONTACT:

Dr. Tapan Rajbongshi **Contact No: +91-96130-11548**
Dr. Karabee Das **Contact No: +91-69015-71348**
Email: ncrast2020.astu@gmail.com

SCOPE OF THE CONFERENCE

- All branches of engineering.
- Energy - nuclear, solar, bio-fuel, fuel cell, wind, thermal, hydro and hybrid energy source.
- Material Science - Nanomaterial, Polymer, Bio-material, any advanced materials, Super conductor etc
- Plasma Science and Technology
- Bio-engineering and allied fields
- Environmental Science and Engineering
- Food Processing, Preservation & Packaging
- Water Resource Management and associated technologies
- Robotics & Artificial Intelligence
- Remote Sensing
- Design and Architecture
- Other Science and Technology related

PRIZE/AWARD

All contributory papers will be considered for e-poster presentation only. The three best e-posters will be selected for poster award and awardees will get a certificate along with prize money.

REGISTRATION DETAILS

Registration is mandatory for all participants. Only online mode of registration is acceptable. For registration, kindly visit www.astu.ac.in

No registration fee is required. The conference is open for all students, researchers, faculty members, scientists and industrial expert to participate.

The guidelines to prepare the abstract is available in website.

INTENDED PARTICIPANTS

The conference is open to be participated virtually through online mode by students, researchers, faculty members, scientists and industrial experts in the field of Science and Technology
